STING 24

Available colors:	1681-B24 1681-W24 1681-GR24 1681-DGR24
Beam angle:	10° 19° 28° 63°
LED Color:	3000K 4000K 5000K 6000K
LED power:	2 x 10W
System Power:	2 x 13,5W
CRI:	90
Lumen output:	2 x 1344lm
Material:	die-casting powder coating aluminum
Location:	Exterior
Fixation:	Bollards
Product dimension:	D105 x 3000mm
Input:	220-240V 50/60HZ
IP:	65
Class:	III
Light Source:	LED

As a projector for exterior use, STING has many appearances. It comes as a slim bollard with 1 or 2 light units. Like this, STING can be used throughout a complete outdoor project, to light up trees, emphasize architecture or highlight pathways.
Although compact in size, the clever design of STING offers a solution without any visible cabling outside of the luminaire. The hinge of the projector not only serves to tilt it into the wanted direction, it also hides away a passage for the cabling.
Uniform in design, STING comes in wide range of beam angles: from narrow 10° up to wide one with 63.°
